## FOUNDATION PROGRAMS

Intensive preparatory programs for students who aim to enter a university in the Czech Republic. Higher education here is available in Czech language (free of charge) or English language (at a reasonable cost). MSM Foundation programs are organized at Czech Technical University (CTU) and Czech University of Life Sciences (CULS). After the course students can apply to any Bachelor's or Master's Degree at any Czech public or private university.

Intensity: 28-29 hours per week.  
Compulsory subjects: Czech and English languages, Mathematics.  
Instructors: professors of CTU and CULS.  
Duration: 1 academic year or 6 months.

## DOUBLE DEGREE CZECH REPUBLIC + SWITZERLAND

The first two years of this Bachelor's Double Degree program in English language in Prague (Czech University of Life Sciences) and the third year in Switzerland (Hotel Institute Montreux or Cesar Ritz Colleges). During the last year students do a compulsory 4-6 months paid internship in Switzerland or abroad. Upon completion of the program students obtain two diplomas: Czech Bachelor's Degree in Business Administration and Swiss Higher Diploma in International Hotel Management or Swiss Bachelor's Degree in International Business in Hotel and Tourism Management.

Entry requirements: secondary school leaving certificate; IELTS 5.0.

## BRITISH FOUNDATION IN PRAGUE

British Foundation Program in Prague was developed in partnership with TRC Colleges (UK) and endorsed by the UK Examination Board QUALIFI at Level 3 (the same as A-level or IB). This program gives students an opportunity to enter any Bachelor's program in English language at any university in the world as well as a guaranteed place at one of TRC's partner universities in the UK, USA, Canada and Caribbean. All students of the program get a conditional BA Program acceptance Letter from Bangor University (UK, Wales). British Foundation Program is organized at The Czech University of Life Sciences.

Entry requirements: secondary school leaving certificate; IELTS 4.0 or equivalent.

## INTERNSHIPS

MSM offers internships for university students and professionals in different areas at prestigious universities and companies in the Czech Republic. Internship programs help to develop professional skills, exchange work experience and gain practical knowledge. Internships can be done in English or Czech languages. This is a perfect way to improve foreign language skills and enhance your CV, giving you an international appeal and multicultural experience in the chosen area of studies.

# BRITISH COUNCIL LANGUAGE COURSE IN PRAGUE

The program "English holidays in Prague" is organized in cooperation with the British Council. During autumn, winter, spring and summer holidays students can come to Prague for 8/10/14 days. Native speakers, high British standards, leading specialists in the field of teaching English language, individual approach, modern methods of teaching, multifunctional study materials in combination with trips around Europe and entertaining activities - all of this is an important part of the program.

## SUMMER LANGUAGE CAMPS

1-month summer courses are aimed at improving English, Czech or German language skills. This also includes familiarization with the rich history and culture of the Czech Republic. It is a great way to combine a trip to Prague with tours to 6 other European cities: Karlovy Vary, Cesky Krumlov, Dresden, Munich, Berlin and Vienna! Learn foreign languages with native speakers and visit 7 European cities in one trip! MSM summer language camp is the perfect way to spend an unforgettable summer and meet people from around the world! Accommodation: student residence. Age limit: 14+

## MSM INTERNATIONAL FOOTBALL ACADEMY IN PRAGUE

MSM International Football Academy in Prague offers 1-month and 1-year programs, which combine intensive football trainings, games, tournaments and language courses. The program has been developed in cooperation with the Football Association of the Czech Republic. The trainings take place on the fields of the Football Association and on the fields of AC Sparta Prague and FC Admira Prague. Young professionals are trained by the famous Czech coaches and have a unique opportunity to start a professional career in European football as well as get a European university degree!

## EUROPEAN TRIPS

This option allows students to combine educational programs with exciting tours to most beautiful cities of Europe. Prague is often called "the Heart of Europe" and from here it is easy and fast to travel to most European cities. Use this chance to its full potential!

In just one month you can visit 3 countries and 7 cities, spend an amazing time while learning a foreign language and exploring different cultures.

Visit Prague, Berlin, Munich, Dresden, Vienna, Karlovy Vary and Karlstejn Castle!

## MSM (THE INTERNATIONAL UNION OF YOUTH)

MSM (The International Union of Youth) is a union of educational, athletic and cultural organizations, which includes the MSM Academy language school and the MSM International Football Academy. The company was founded in 2007 in Prague with the aim of developing educational and athletic cooperation, expansion of international and cultural exchange, as well as strengthening friendship and mutual understanding between young people from all over the world. The main focus of the activities of The International Union of Youth is education abroad - in the Czech Republic and other world countries. We provide support and help with enrollment to the best universities of the world, consultations in the sphere of educational programs and foreign language courses, assist with collecting necessary documentation for visa applications, organize cultural, athletic and adaptation programs during studies, various internships and professional trainings.
