## ADVANTAGES OF THE DOUBLE DEGREE PROGRAM CZECH REPUBLIC + GERMANY

- **International prestige and recognition.** The unemployment rate in the Czech Republic is only 2.2%, in Germany - 3.1%, making these countries ideal for future employment. Also, German and Czech diplomas are recognized not only in Europe, but also in Canada and the USA, which gives you wide mobility in choosing the country to work in. After just 3 years of studying, you will be an perspective candidate for employers, with knowledge of three foreign languages (English, German and Czech).
- **The possibility of staying in the country.** With a Czech diploma, you get a residence permit for another 9 months for the purpose of employment. By having a German diploma, you can get a German residence permit for 18 months.
- **Help and support during the adaptation period.** Starting your way in the Czech Republic, you will get professional support from coordinators who will help with all paperwork, visa issues and accommodation. The first year of study also includes a wide cultural program, registration of travel documents, SIM card and assistance in the nostrification process (recognition of a diploma of secondary education in the Czech Republic).
- **Multicultural environment and language experience.** By choosing the Double Degree program in the Czech Republic and Germany, you will not only be fluent in English, but also learn Czech and German. Due to friendly culture in the Czech Republic, in two years the student will get the basics of the Czech language with no special training. In Germany, IU offers its students the additional German course for adaptation. Upon graduation, you will be able to add 3 more languages to your resume.
- **The investment with guaranteed success.** By choosing the Double Degree program, you save up to 70% on costs. In just 3 years, you will receive two European bachelor's degrees at once with two leading specialties: business administration and international management. During you stay in Prague there will be a wide choice of student discounts, which will help you save a significant part of your expenses. Moreover, the student visa provides the opportunity for official part-time work up to 20 hours a week.
- **Travel and internship opportunities.** The student visa will open endless opportunities for you to travel through Schengen area, as well as internships in partner companies of universities.
- **Entry requirements for the program:** completed secondary education (high school certificate). Certificate of English Proficiency: IELTS 6.0 or Cambridge Proficiency / Advanced Grade C.

## Czech Republic, Prague

Over a thousand years, Prague as the capital of the Czech Republic has always been an important cultural and educational center. Its first university was founded back in 1348 as the very first university in Europe. Some of the most famous European scientists of the late Renaissance, such as astronomers Tycho Brahe and Johannes Kepler, lived and worked here. Even Albert Einstein himself was a professor at one of the departments of the Prague university.

Prague is an international city. French, Italian and German architects and sculptors have brought their charm to the Czech capital. The world famous Old Town, Charles Bridge and Prague Castle, which are the masterpieces of the Gothic architecture, are carefully guarded to charm visitors with their beauty. Entire historical center of the city is on the UNESCO list of cultural heritage.

This city is a true fairy tale, with its narrow streets, friendly faces, charming castles and endless possibilities.

## Germany, Bad Honnef or Berlin

Germany is a country of innovation, a strong economy and contrasts. By studying at IUBH you will have a unique opportunity to choose the location of your university: Bad Honnef or Berlin.

Bad Honnef is a wonderful city with a huge student community. It is located in one of the most beautiful regions of North Rhine-Westphalia. The city will charm you with its castle and nature. This is an ideal place to deepen your studies and learn about German culture.

If you are more of a fan of active lifestyle — Berlin is definitely for you. Located in the heart of Europe, it welcomes people from over 186 countries. It is a city of unlimited opportunities and dynamic solutions, where life is fast and exciting.

Studying at IU will give you the chance to choose your location, where you will fall in love with Germany.
