## ADVANTAGES OF THE DOUBLE DEGREE PROGRAM THE CZECH REPUBLIC + UNITED KINGDOM

- By choosing the Double Degree program you guarantee yourself a success among employers all over the world. You will get two European diplomas at once, which are also recognized in the USA and Canada. In addition you will get practical skills from the best entrepreneurs in the world, and all this with minimal financial and time investments.
- Throughout the entire period of study, you will be assisted by a specially trained curator who will support you in solving all visa, housing, transportation and common issues as well as the recognition of a school certificate in the Czech Republic, making your adaptation in a foreign environment easy and comfortable.
- Both universities are focused not only at high-quality theoretical education, but also at helping in the application of their knowledge to real life. Universities have special career counseling centers that are ready to help you even after graduation.
- After successful graduation from a university in the Czech Republic, you receive a permit to stay in the country for up to 9 months in order to find a job. For students who have received an English diploma, the period of stay in the UK in order to find a job is two whole years, which is much longer than in other European countries.
- An international environment and studying in English will help you bring your knowledge to perfection. Almost 98% of high-paying top positions require applicants to know English, and with a diploma from London itself, you guarantee yourself open doors to many global corporations.
- All CULS professors are not only theoretical specialists in their fields, but also have many years of practical experience. LSBU was honored with the Times Higher Education Awards 2016 as "The best entrepreneurial university of the year". By choosing this program, you can be sure that you will be learning from the best professionals in business, entrepreneurship and economics.
- Student visas in the Czech Republic and the UK give you the opportunity to travel and do an internships or go for a year for exchange to other Schengen countries (programs Erasmus, Erasmus +, Erasmus Mundus, IAMONET).
- Entry requirements for the program: completed secondary education ( diploma from school) plus certificate of English proficiency IELTS 6.0 or Cambridge Proficiency / Advanced Grade C.
