

Half-Year English Course at EUBA

Intensive study program of English based on state university for successful admission to universities in Slovakia.

Program dates:

15.01 – 31.08

University of Economics in Bratislava

The course is held on the basis of the leading state university in Slovakia – the University of Economics in Bratislava (EUBA) with the support of the International Union of Youth.

The University of Economics in Bratislava is one of the leading universities not only in Slovakia but also in the European Union. Since 1940, the University has offered academic programs in economics, computer science, entrepreneurship, international relations, and other specialties.

EUBA is a quality and prestige university with a modern research center, progressive views and a professional teaching staff.

5 REASONS TO STUDY WITH EUBA

Living in the center of Europe

Slovakia is a cozy country in the center of Eastern Europe. Vienna, Budapest and Prague are just a two-hour drive from Bratislava.

Experienced teaching staff

The university's professors have huge experience in educating students. Also, they continuously improve their skills.

Safety and comfort

Slovakia is known for its high level of safety: its capital is among the TOP 30 safest cities in the world.

Affordable education

Studying in English in Slovakia is much more affordable than in other EU countries but its prestige and quality of education is on the same level as in other European countries.

The Schengen area

With a Slovak student visa, you can travel freely to 26 countries across the European Union.

After completing the MSM foundation course, you can enroll in English majors at universities in Slovakia and other countries.
