One-Year MSM Course

(economic specialties)

Why take the MSM course?

Specialized subjects

The program was created taking into account all the requirements of entrance exams to public and private universities in the Czech Republic.

Professionalism and experience

We have been providing educational programs in the Czech Republic since 2007. Thousands of our students have entered the Czech universities and got a position in the world's best companies.

Support

The MSM manager assists the student with the collection of visa documents and prepares them for an interview. Upon arrival in Prague, each student is assisted by experienced coordinators in matters of accommodation, choosing a university, and, if necessary, will be accompanied to an appointment with a doctor.
