One-Year English Course

Why study with MSM?

All you need is English

You will study in English. For entering the university you will only be required to improve your language level, with which MSM will help you on a course.

Exchange programs

Participation in exchange programs is available to English speaking students. So, if you want to study a semester / year in another country, you need an English level of at least B2.

Knowledge of English opens up many possibilities

A high level of English gives you the opportunity to find a job after graduation in an international company in the Czech Republic or abroad.

Registration process:

1. Reservation of the program. Prepayment. Registration at the embassy for a visa.
2. Check / reissue of the passport.
3. Collection of a set of documents, translation, certification at the Embassy.
4. Submission of documents for a long-term visa to the Czech Republic.
5. Obtaining a visa, processing medical insurance.
6. Documents preparation for nostrification and for departure.
